RISK ACKNOWLEDGMENT STATEMENT

By proceeding with any investment through this platform, I acknowledge and confirm that:

1. I understand that crowdfunding investments are inherently speculative and may involve significant risks, including the potential for complete loss of my investment.

2. I recognize that securities offered through crowdfunding platforms are not listed or traded on any exchange, and may have limited or no liquidity or market for resale.

3. I have been informed that:
   - These investments are not guaranteed by any government or regulatory body;
   - They do not offer assured returns or income;
   - The issuers are typically early-stage ventures with limited operating history.

4. I accept that returns, if any, may take years to materialize and there is a material risk that the issuer may fail or cease operations entirely.
5. I confirm that:
   - I have completed the Investor Suitability Assessment;
   - I have reviewed the offering documents, risk disclosures, and issuer information made available;
   - I have been given the opportunity to ask questions and obtain additional information regarding the investment.
6. I further declare that I am investing based on my own judgment, and that:
   - This investment is within my risk tolerance and financial capacity
   - I have not been pressured or misled in to investing
   - I understand this investment is non-recourse and non-redeemable by the platform.

By signing or confirming this statement electronically, I accept full responsibility for the decision to invest, and I waive any right to hold INITIATE PH, Inc. or its affiliates liable for any potential loss associated with my investment in the crowdfunding offerings facilitated through the platform.
